

Hi there!
 My superpowers are Illustrating, Graphic Design, Web Design and Infographics and I'm based in Buford, Georgia. I love design in all fields, and I never stop searching for new styles and new forms of self-expression to improve my super human skills. I'm looking for a company that has a higher power level to challenge my skills. I love adventures, traveling, new experiences and being constantly inspired by new things and new people, routine and monotony are my weaknesses.
